Dear Parent/Guardian,

Mathspace 2024

Mathspace will be an essential part of our junior maths programs during 2024. All students in Year 7, 8 and 9 will require access to *Mathspace*.

Mathspace is an online resource used for classwork, homework and assessment tasks. *Mathspace* also provides students with the opportunity to engage in self-directed learning.

The cost to families is \$18 per student. This payment entitles your student to full access to *Mathspace* for the whole year.

Payment is made online directly to *Mathspace* but **should not be made until school commences in 2024**. Families will then have 2 weeks to pay their subscription.

Payment instructions will be communicated to parents during the first week of the new school year.

Any questions may be directed to Mark Glover, Maths Department, Numurkah Secondary College.

Yours sincerely

Mark Glover
Maths Department, NSC.

REAP the Rewards of Quality Education

Promoting **Respect** of ourselves and others: Inspiring individual **Excellence** and **Aspiration**:
Cultivating a sense of **Pride** in ourselves, our school and our community.
