PURPOSE

This policy sets out our school's approach to students driving to and from school and school events. Our school recognizes the need for the whole community to make efforts to minimize the risks associated with young drivers and to encourage responsible driving behaviours for students.

SCOPE

This policy applies to all students at Numurkah Secondary College who have a valid driver's licence. All students who intend to drive a car to school must complete the Student Drivers' Agreement form agreeing to adhere by rules set out by this policy.

POLICY

Our school recognizes that some students will turn 18 and obtain a driver's license while they are still attending school. Some of these students will want to drive to and from school. Numurkah Secondary College expects that all student drivers will adhere to the conditions of their licence and the road rules and will drive in a safe and responsible manner. If the school becomes aware that a student driver has driven in an unsafe or irresponsible manner, police will be notified.

Students are not permitted to drive themselves to and from camps, excursions or other school activities unless previously arranged and agreed in consultation with the school principal, and only in exceptional circumstances or in circumstances where all students are required to make their own way to the event.

Students are not permitted to drive any other student in their vehicle. Student may carry their siblings as passengers however, written parental consent is required.

Students are not permitted to use their car during the school day unless it is for an approved reason such as an unavoidable medical appointment. A certificate of attendance at the appointment is required.

If students act in breach of this policy, parents/carers will be notified, and appropriate student sanctions will apply.

Numurkah Secondary School takes no responsibility for damage to vehicles parked in the car park and parking is at the vehicle owner's own risk.
