Term 1

Week 4

Principal's Report

How quickly times goes as we approach the middle of term 1. As our Facebook page and this newsletter show, there has been some great work happening. Our senior students hit the ground running with fundraising, starting off for their final year of events. The St Valentine's Day activities were a lot of fun, and the serenading team certainly were a highlight.

Our Curriculum Day yesterday included working with Dave Vinegrad and his Behaviour Matters program. This day enabled us to ensure our classroom practices consistently enable students to focus on their learning and we continue to build on our values of respect, excellence, aspiration and pride.

School council is an important body in our school and provides opportunity for families and community members to contribute to our school. The time is nearing for the Annual General Meeting of the NSC School Council. Meetings are held twice per term. We currently have 4 parent vacancies and two Community vacancies. Existing members are welcome to reapply for these positions, but we also warmly welcome any new members to apply. Please check the information in this newsletter about what being part of our school council involves. Feel free to contact me at the school if you have any further questions. If you would like to nominate, select the hyperlink on the information page in this newsletter or collect a form from the office.

Voluntary fees are an opportunity to support our school through parent payments and fundraising efforts. This support enables us to fund and subsidise our student programs across the curriculum. It also allows us to continue with upgrades and minor maintenance to school buildings and grounds, and ensure that classroom technology is made available for the benefit and enjoyment of all students. We welcome your contribution for the 2023 school year.

You are asked to please review the recommended voluntary financial contributions schedule below for an indication of contributions for your child/ren and how to make payments. Please feel free to contact the office if you would like to make staged payments or have questions. The link to year level payments is <https://www.numurkahsc.vic.edu.au/parent-payments--booklists.html>

***continuation of Principal's report*

It has been wonderful to see the year 9 students take up the opportunity to be part of the Live 4 Life program run through Moira Shire. There is a strong emphasis on leadership and support, and I know our Crew will be amazing. Chelsea Luxford is leading this program for our school and will be working with this group throughout the program.

35 students have expressed interest in the Instrumental Music Program being run at the school. This is a great response and these students have been provided with information and paperwork regarding payment and expectations to be enrolled in the program for this semester.

Make sure you look through our Newsletter and check what is happening at NSC!

Meet the staff at NSC!

Over the coming weeks, we will be introducing our staff to our NSC Community.

Name: Abhay G P Singh

This year I will be teaching Maths and Science. My hobbies are sport, reading, video games and motorcycles. I have studied a Bachelor of Science and grew up in Western Sydney. I have played a lot of sport and have enjoyed travelling around the world. My vision for 2023 is to create a safe place within my classroom for my students and that they can improve in the subject we are studying.

Name: Nathan Binks

I am a new staff member to the NSC community and will be teaching Product, Design and Technology, and VCEVM Work Related Skills. My hobbies are four wheel driving, water skiing with family and breeding Heritage Wessex Saddleback pigs. I am married with 2 children, 2 Labradors and 6 pigs. I am a motorsport enthusiast along with all things innovative. My 2023 vision is to continue the great work of the NSC Technology staff and provide students with the skills required by our community.

Name: Lachlan Heard

For 2023, I will be teaching Humanities, VCEVM Literacy and Personal Development Skills. I enjoy gardening and spending time with my 2 kids, 2 dogs and my wife Katie, who is the teacher at SEDA in Shepparton. I have been teaching since 2000. I was born in Numurkah and went to school in Shepparton. I now live back in Shepparton. My vision for 2023 is to get to know as many staff, students and parents as I can and support students to be happy and achieve their best.

Name: Jake Heggart

This year I will be working in the areas of Numeracy Intervention and Education Support. I enjoy going to the gym, camping, fishing, movies and TV. 2023 is the second year of living in Numurkah and I love it. I play footy, love NFL and I am currently building a house. My vision for 2023 is to learn a lot onsite at NSC to help with my studies at La Trobe University.

Name: Rachel Connell

English and Humanities are the areas I will be teaching in 2023 at NSC. I enjoy reading, cross-stitching, walking, watching anime and singing. I am left handed, my favourite foods are lasagne and chocolate and I like singing in the car on my way to work. I also like nerding out over books and anime. My 2023 vision is to get an Anime Club running and to become a helpful, friendly and recognised part of the community at NSC!

Name: Anthony Exton

This year I am the Year 8 Year Level Leader and teaching VCEVM Work Related Skills, Small Furniture Production, Maths and MYLNS Numeracy. I enjoy water skiing in the warmer months, fishing, camping and travelling to see our homegrown attractions. I started teaching at GOTAFE, assisting apprentice Cabinet Makers and Carpenters develop their skills. I then moved onto secondary teaching. I live in Shepparton with my wife. My vision for 2023 is to develop more as an educator. I have plans to incorporate VET Building and Construction into the curriculum in the future and share my experiences as opportunities arise.

ENGAGEMENT AND WELLBEING

Attendance Matters!

Well done and thank you to our 166 students who have shown over 90% attendance so far this year. Naturally sometimes things happen like illnesses and other emergencies. Hopefully this is very rare, but if that does happen and you can, please let the school know so your attendance information is always accurate!

Attendance every day makes a big difference. Missing a few days here and there might not seem like a big deal but it can quickly add up over years of schooling. Check out the information from our friends at the NSW Department of Education... missing 1 day a fortnight adds up to missing 1 year of education over your school journey! How much more could you learn and experience in that extra year?

The Resilience Project @ Home

Taking a moment to reflect on positive things can take us from being 7 times more likely to see things as negative, to being 3 times more likely to see things as positive.

At NSC, we are ready to learn when we bring a fully charged laptop to class.

Valentines Day 2023

Love was in the air for our annual Year 12 Valentines Day fundraiser. Year 12 students serenaded and sold cakes and slices raising \$440.55 to go towards their valedictory celebrations at the end of the year.

Zooper Dooper Friday

On Friday 17th February our Year 12 cohort helped students to stay cool on what was a very hot day. Zooper Doopers were sold at both recess and lunchtime with all money raised going toward the Year 12 Valedictory celebrations. Thankyou to all who supported and helped raised \$60 on the day.

At NSC, we are ready to learn when we leave our mobile phones, hats and hoodies in our lockers.

YEAR 11 VCE VM PERSONAL DEVELOPMENT SKILLS

THE YEAR 11 VCE VM PDS GROUP HAS BEEN WORKING WITH MS. HARMAN ON LEARNING ABOUT PERSONAL IDENTITY AND EMOTIONAL INTELLIGENCE. STUDENTS HAD TO WORK IN SMALL GROUPS TO DESIGN A CONTRAPTION TO HOLD A RAW EGG SO IT COULD BE DROPPED FROM A HEIGHT, WITH THE AIM OF THE EGG NOT TO BREAK.

STUDENTS HAD A SET OF SUPPLIES THEY COULD USE (BALLOON, ICY POLE STICKS, 1M STICKY TAPE, 2M STRING, 20CM SQUARE OF CARDBOARD, 1 SHEET OF NEWSPAPER). GROUPS COULD TRADE SUPPLIES WITH MS H IF THEY NEEDED MORE OF THEM TO USE. STUDENTS WERE HAVING TO USE TIME MANAGEMENT, COOPERATION, LEADERSHIP, SELF-MOTIVATION, FEEDBACK AND PROBLEM SOLVING SKILLS TO COMPLETE THIS TASK.

TABLE TENNIS TABLES

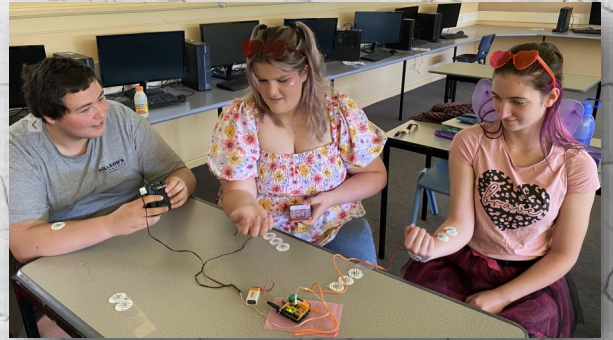

THROUGH AN ACTIVE SCHOOLS GRANT, NSC RECENTLY PURCHASED 3 BRAND NEW OUTDOOR TABLE TENNIS TABLES FOR OUR STUDENTS TO ENJOY. STUDENTS ARE HAVING FUN WITH THE NEW EQUIPMENT, BATS AND BALLS BEING AVAILABLE TO BORROW DURING LUNCHTIMES EVERY DAY FROM THE SHED AT THE END OF THE C CORRIDOR. BETWEEN THE TIMES OF 1:40 AND 1:50, THE SHED IS OPEN WITH ALL SORTS OF GREAT SPORTING EQUIPMENT AVAILABLE TO LOAN, THANKS TO THE VICTORIAN GOVERNMENT FOR THEIR CONTRIBUTION OF THESE GREAT TABLES. ONE TABLE IS LOCATED OUTSIDE C5/C6 UNDER THE VINES AND THE OTHER TWO TABLES CAN BE FOUND IN THE COURTYARD AREA.

Year 12 Psychology

On the 14th of February, or better known as Valentine's Day, my year 12 Psychology class was fortunate enough to be a part of an experiment using an HHI (Human-Human Interface) to investigate conscious and unconscious responses. This device allowed our brain to command our partner's movements by simply attaching these things called electrodes (you would have seen these at the hospital when monitoring heart rates!) to our forearms, as well as your partner's forearms, with one person being the controller and the other being controlled. Your brain normally commands your movements by sending signals down axons of your motor neurons to your muscles which can be read as electrical discharge. However, after having the controller tense their arm muscles to find a way to spike the HHI, a TENS machine is then used to carry through the neural impulse; therefore making our (the controlled) hand, arm, and fingers move involuntarily due to the interception of our own neural messages. The sensation was indescribable, but so incredibly fascinating. My year 12 Psychology class did this to test if our nervous systems could be overridden by a stronger impulse; and we proved ourselves right! We thank Ms. Matthews for granting us this opportunity!

Rhiannon Jose

Also during Psychology, Chelsea was lucky enough to celebrate turning 18 with her classmates, Ms Matthews and a delicious Cake.

Luna Club

Hello! I am Chels the School counsellor, I have been studying mental health for 10 years and recently completed my Masters of Counselling and Psychotherapy. Throughout COVID I began exploring various tools for self awareness which included tarot cards, oracle cards and reiki. I merged these tools with my knowledge of the human mind and psychological ethics. This year I am offering a space through "Luna Club" as an open and optional space to explore such tools as well as crystals, moon cycles, connecting with nature and understanding the self. So far students have loved asking questions, sharing their own knowledge and bringing along some of their own items to share with the group.

Live4Life

Congratulations to our Live4Life Crew of 2023! Youth Live4Life is a registered health promotion charity, bringing together rural and regional communities to improve youth mental health and wellbeing. Live4Life communities deliver Teen and accredited Youth Mental Health First Aid training in schools and the wider community, create local partnerships to lead conversations about mental health that reduce stigma, and promote young leaders as mental health ambassadors.

Our Live4Life crew will be running various events and activities throughout the year including R U OK Day. Nadia Ruggi, Connor Ciccone, Bridget Brown, Taleisha Manzone, Heidi Webb and Skye Young are our core crew who will represent Numurkah Secondary College at events throughout the year. Making up the rest of crew who will attend meetings and assist in events at school are Akaysia Fitzgerald, Jacinda Blight, Charlie Payne, Keira Dekker, Hunter Kubeil, Brianna Boyden and Heather Michelmores.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

NSC School Council Election 2023

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the broad direction of a school, in accordance with Ministerial Order 1280 Constitution of Government School Councils, and the Education and Training Reform Act 2006. In doing this, a school council may directly influence the quality of education for students.

Who is on the school council?

For most primary school councils, there are several possible categories of membership:

A mandated elected parent member category – more than one-third of the total members must be from this category. Department employees can be parent members at their child's school providing that they are not engaged in work at the school.

A mandated elected school employee member category – members of this category make up no more than one-third of membership. The principal of the school is automatically one of these members.

An optional community member category – members are co-opted by a decision of the council because of their special skills, interests or experience. Department employees are not eligible to be community members.

Why is parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills and a range of experiences and knowledge that can help inform and shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

Do I need special experience to be on school council?

Each member brings their own valuable skills and knowledge to the role, however, in order to successfully perform their duties, councillors may need to gain some new skills and knowledge.

It is important to have an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

How can you become involved?

By participating in, and voting in the school council elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider:

standing for election as a member of the school council
encouraging another person to stand for election.

‘Education is the key to unlocking the world, a passport to freedom’

- Oprah Winfrey

What do you need to do to stand for election?

The principal will issue a Notice of Election and Call for nominations in Term 1 of each year. Council elections must be completed by 31 March, unless varied by the Minister for Education.

If you stand for election, you can arrange for someone to nominate you as a candidate or, you can nominate yourself in the parent member category. You can only be nominated by another member of the same electorate that you are eligible for (e.g. a member of the parent electorate may only nominate another parent of that electorate)

Department employees with a child enrolled at a school where they are not engaged in work, are eligible to nominate for parent membership at that school.

Return your completed nomination form to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt via post, email or by hand delivery.

Generally, if there are more nominations than vacancies a ballot will be conducted in the two weeks after the call for nominations has closed.

Remember

Consider standing for election to school council.

Ask the principal for instructions if you are not sure what to do.

Be sure to vote if the election goes to ballot.

Contact the principal if you are unsure about what is required at any stage of the election process.

Nomination forms can be found by following the links below:
