

NUMURKAH SECONDARY COLLEGE

YARD DUTY AND SUPERVISION POLICY

Policy last reviewed	1 August 2023
Approved by	Principal
Next scheduled review date	1 August 2025

This policy will also be updated if significant changes are made to school grounds that require a revision of Numurkah Secondary College's yard duty and supervision arrangements.

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Numurkah Secondary College, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Numurkah Secondary College's grounds are supervised by school staff from 8.40am until 9.00am each morning and 3:15pm until 3.45pm each afternoon. The afternoon block has two staff who each supervise for 20 minutes, with an overlap to accommodate the time required for supervision. Outside of these hours, school staff will not be available to supervise students.

Before school, staff supervise the locker areas, corridors of C wing and the yard with line of sight of the bus areas. After school, the supervision is concentrated on the bus area and supervision of bus travellers.

Yard duty

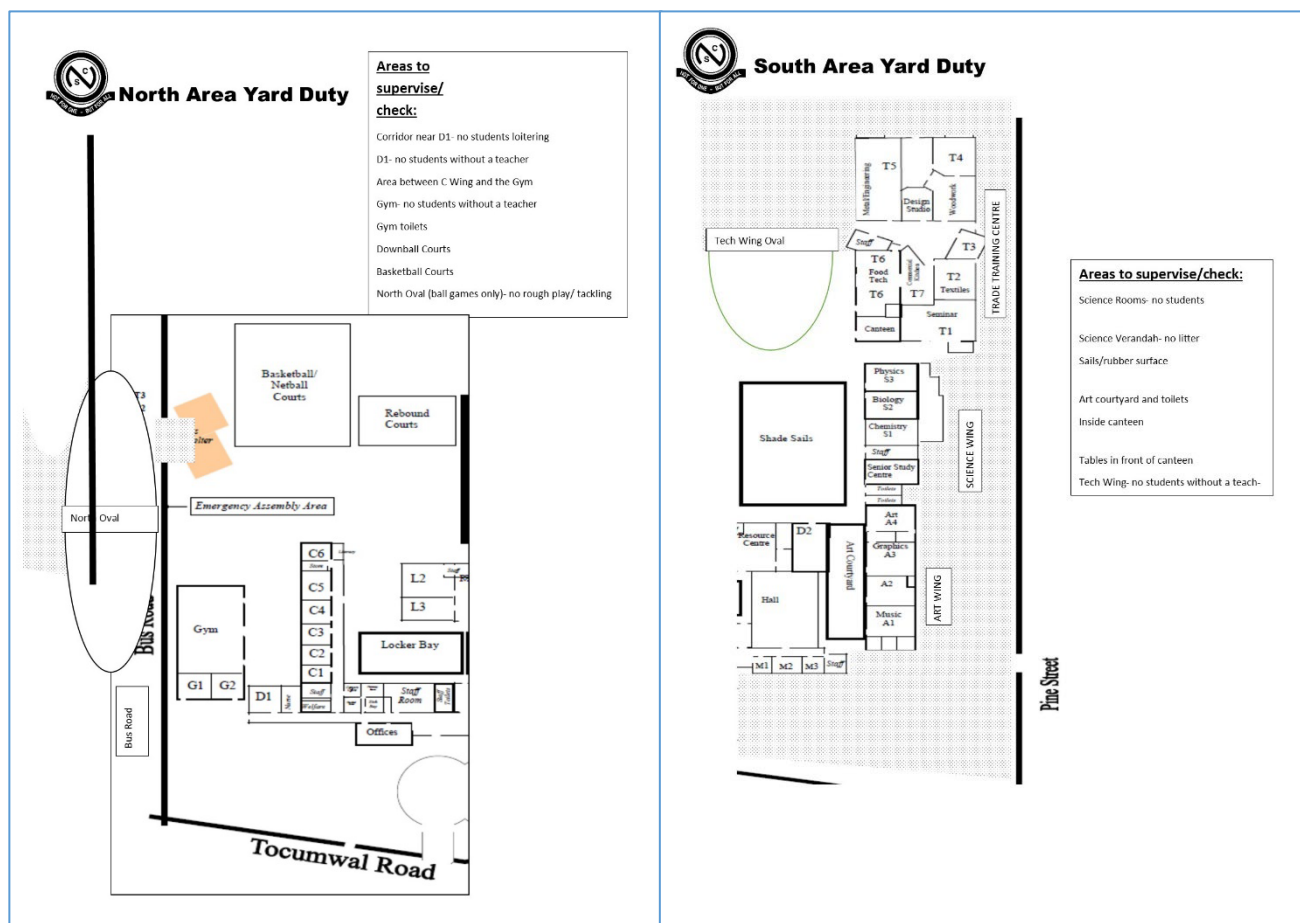

All staff at Numurkah Secondary College are expected to assist with yard duty supervision and will be included in the weekly roster. The duty allocation is made on a pro-rata basis according to time fraction and load.

The Principal (or alternative nominee e.g. Daily Organiser/Assistant Principal) is responsible for preparing and communicating the yard duty roster on a regular basis. At Numurkah Secondary College, school staff will be designated a specific yard duty area to supervise.

Yard duty zones

The designated yard duty areas for our school as at Term 3 2023:

Area	
Library	Lunch activities
North area	Sports Equipment
South area	Bus Road

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in the main office.
- Be familiar with the yard duty areas and the use of Compass to ensure awareness of the needs of particular students' needs (eg medical)

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- be alert and vigilant.
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard.
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy.
- ensure that students who require first aid assistance receive it as soon as practicable.
- log any incidents or near misses as appropriate [i.e. on Compass].

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Daily Organiser with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Daily Organiser but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should phone the main office and ask for the staff member to be called over the speaker system. The duty staff member should not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact main office for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps, and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps, and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

Digital devices and virtual classroom

Numurkah Secondary College follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Numurkah Secondary College will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised – generally in the library, study centre or one of the meeting rooms.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored via Compass and/or Teams
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Workplace learning programs

When students are participating in workplace learning programs, such as work experience, school-based apprenticeships and traineeships, and structured workplace learning, the safety and welfare of the student is paramount. Organising staff are required to follow all applicable Department of Education and Training policies and guidelines in relation to off-site learning, including policy and guidelines on the safety and wellbeing of students. Refer to:

- [Structure Workplace Learning](#)
- [School Based Apprenticeships and Traineeships](#)
- [Work Experience](#)

- [School Community Work](#)

Independent Study

Students who have less than a full timetable of classes, will use the periods without classes as study periods. These will be held in the Senior Study Centre. This will be timetabled as a formal 'study' where teacher supervision and support will be provided, and attendance will be recorded by the supervising teacher. Students will not be permitted to leave school grounds during these sessions.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

COMMUNICATION

This policy will be communicated to our school community in the following:

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Included in our staff handbook
